Drop Off Information

Interstate 95 to Exit #50/Southern Boulevard. Proceed West on Southern Boulevard to Airport Boulevard, and make a Right. Follow signs to West Palm Beach Airport.

Upon departure, please proceed to long term parking lot and select any space. Note lot and space number and lock keys inside the vehicle. Please notify STI Fleet Services the location of the car and we will pick up the vehicle by using the spare keys.

Pick Up Information

Upon arrival at the airport, proceed to the baggage claim desk or ticket counter (depending on the airline). The keys for your vehicle will be inside an envelope at the desk with your name and the approximate location of the vehicle in the long term parking garage. Please provide picture ID. Once you receive the keys to the vehicle, you may proceed to the long term parking garage to retrieve the vehicle.

If you need any additional assistance while in the West Palm Beach area, please contact (866) 406-3438.
