Drop Off Information

From Seattle, take I-5 South to exit 154B for Hwy. 518 West (following signs to Sea-Tac Airport). Once on Hwy. 518, stay in the far right lane. Take the exit for International Blvd./Hwy. 99 South. Keep right at the fork, follow signs for WA-99 and merge onto International Blvd/WA-99. Make a U-turn at 176th Street. Park N Fly is on the right.

>From Olympia, take I-5 North to exit #152 (Orilla Road/188th Street). Turn left off of the freeway onto South 188th Street. Turn right onto International Boulevard/Highway 99. Park N Fly is on the right hand side, just passed the corner of International Boulevard and South 176th Street.

Leave keys for STI Fleet Services with attendant. Board the shuttle and tell the driver which airline you are flying. The shuttle will take you to the courtesy van area just outside of the airport. After exiting the shuttle, cross the street and take the escalator and elevator to the second level. Follow signs to the terminals.

Pick Up Information

From baggage claim proceed up the escalator, across the skybridge and down one level to the Courtesy Van Area. Use the phone in the Courtesy Van Area to call Park N Fly and tell them you need to be picked up at the island number located on the phone directory in front of you. After boarding the van, tell the driver that STI Fleet Services (you might need to refer to us as Specialty Transport) left a vehicle for you in your name. They will have the vehicle ready for you upon arrival at their facility.
