Pick Up Information

Upon return, you should proceed outside of the baggage claim, where an Airport Fast Park shuttle will pick you up. There is no need to call for pick-up, as their shuttles continuously circle the area. You will hand your location card to the driver. Let the driver know that you will be picking up the keys (left under your name) at the front office. The driver will proceed back to Airport Fast Park and drop you off at your car door once you have received the keys. You will need to present your pre-paid voucher or e-mail confirmation (given to you in advance or left on the passenger seat by STI Fleet Services) to the cashier when exiting the facility as proof of payment.
