

Airport Parking

Portland International Airport
Park, Shuttle, and Fly
6455 NE 82ND Ave.
Portland, OR 97220
(503) 255-6374

Drop Off Information

From downtown Portland, take I-84 East, to I-205 North towards Seattle. Exit at Airport Way and proceed towards the airport. Turn left on 82nd street. Park, Shuttle, and Fly is located approximately 1/4 mile away on the right. Park the vehicle in the lot and make a note of the parking space number. Bring the keys and the parking ticket to the front desk and leave them for STI Fleet Services. Make sure to tell the front desk where the vehicle is located. The shuttle will then take you to the airport and drop you off at your airline.

Pick Up Information

Upon arrival at Portland International Airport, proceed to the north end of the baggage claim area (near the United Airlines baggage claim), and cross the street to the courtesy van pick-up zone. Using the courtesy phone, call Park, Shuttle, and Fly and tell them STI Fleet Services has left a vehicle at their facility for you. They will dispatch a van for pick-up service. When you arrive at their office, get the keys from the front desk and the shuttle will drop you off at your vehicle. Please note that there is no continuous shuttle service from the airport, so you must call.

If you need any additional assistance while in the Portland area, please contact (800) 771-3010.
